

## Convection Oven Atoll 600/600T

Only needs 230V/15A, it is a perfect 'show' unit for creating an open-kitchen atmosphere in a limited space, while still offering consistent baking result. It is ideal for small bakeries, coffee shops, hotel lobby bars and snack shops.

## Product Advantage

- ✓ Features a removable water tank, which allows you to operate the oven anywhere you want with a steam option.
- ✓ Double glass design, easy for observation and cleaning
- ✓ Electromagnetic door lock - the door opens automatically when the baking program finishes
- ✓ USB port option for easy program storage and transfer, for chain operations
- ✓ Control system for your choice: programmable PCB or 7" capacitive Touchscreen PCB
